About US

Aydinlar is a local textile company from Turkey

We source high quality materials

Produce locally in house

Meet our global customers wherever they are

Aydinlar is a groundbreaking company at the front of innovation designed for the curious and tech savvy individual

Why choose **us**?

Quality

We use high quality material and manufacture inhouse for higher standards

Trends

Quality is one aspect. We create designs that will keep your bedroom modern and up to date

Flexibility

We produce different variety and sizes for optimal fit and comfort

Functional

Sleep is a science. We support a quality setup for you

Textile needs modern infrastructure and experience to back it up. At Aydinlar, we work and improve on both areas
